rx12[®]

When the capacity for strength, durability and waterproofing has to fit a very tight budget and surface texture and appearance are not critical, rx12 offers 12-ounce polyester/cotton protection external protection fabrics that can be utilised in almost any exterior application.

Key features

-  Woven from blended polyester and cotton yarn
-  Highly water, rot and mildew resistant
-  Ultrasonically sealed selvages to help prevent freying
-  Wide width available
-  UV resistant
-  Will not creep in sewing and has exceptional lay flat qualities
-  Woven and finished in Australia for Australian conditions
-  Wide colour range available.
