OUR PROMISE

Solashadow D-View is a contemporary and versatile range of internal mesh fabrics suitable for all Roller and Panel Blinds for domestic and commercial applications.

The D-View sunscreen fabric has been developed to provide protection from the harmful effects of the sun whilst giving you the benefit of enjoying the view and privacy – offering you a 5% or 10% openness factor and in 9 designer colours.

-  5-Year Guarantee
-  Widths available (cm)
-  Openness options

5% Openness available in 250cm and 300cm width
 10% Openness available in 300cm width
