

Easy to Maintain

Removable Protective Film

Waterproof

somerton® CRISTAL TRIO

A clear PVC with 0% shrinkage and high dimensional stability.

Three layers enable the Cristal Trio to achieve outstanding performance within changing temperatures – both hot and cold.

somerton® CRISTAL TRIO

Somerton® Cristal Trio is a zero-shrinkage multilayer transparent plastic film, with inert middle layer to offer the highest dimensional stability.

Delivered with a protective liner (removable prior to use) is ideal to protect large areas from weather and offers excellent thermal, mechanical and resistance properties.
