Friendly

supaproof® 6

supaproof® 6 is a light-weight (6.5oz basefabric, 9.4oz finished) premium finely woven 65/35 polyester/cotton specially engineered and impregnated utilising the DDP Proofing Process.

Quality and weight balance is guaranteed with supaproof® 6.

supaproof® 6 is tailored for very specific applications namely light-weight tent roofs & walls, awnings, flyovers and camper trailer walls and roofs.

Key features

- UV resistant
- Water proof
- Mildew resistant
- Dimensionally stable (shrinkage resistance)
- Wide colour range selected for the Australian and New Zealand market
- DDP Proofing Process
