Revolutionary DDP Proofing Process

Environmentally
Friendly

supaproof® 8

supaproof® 8 is a light-medium weight (8oz basefabric, 11oz finished) premium 65/35 polyester/cotton general purpose proofed canvas woven in Australia and impregnated utilising the DDP Proofing Process.

supaproof® 8 is highly breathable and is guaranteed to provide superior performance in the most arduous environmental conditions.

The fabric demonstrates no crease whitening in fabrication assisting with end use applications and performance properties.

supaproof® 8 is ideally suitable for annexe roofs and walls, camper trailer roofs, walls and caravan awnings, retractable covers, bags, satchels and loose covers.
